INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents:

In accordance with 37 C.F.R. §§ 1.56 and 1.97 through 1.98, applicant wishes to make known to the Patent and Trademark Office the references set forth on the attached form PTO-1449. Copies of cited references which do not present themselves on the International Search Report and as such have not previously been provided to the Patent and Trademark Office are attached hereto. As to any reference supplied, applicant does not admit that it is "prior art" under 35 U.S.C. §§ 102 or 103, and specifically reserves the right to traverse or antedate any such reference, as by a showing under 37 C.F.R. § 1.131 or other method. Although the aforesaid references are made known to the Patent and Trademark Office in compliance with applicant's duty to disclose all information he is aware of which is believed relevant to the

examination of the above-identified application, applicant believes that his invention is patentable.

Some of the cited references were cited in an International Search Report in a PCT application corresponding to this application, and the references are being filed prior to the issuance of a substantive office action. A copy of the Search Report is enclosed to satisfy the requirement for a concise explanation of the relevance of each reference that is not in the English language, pursuant to MPEP § 609A(3).

Please acknowledge receipt of this Information Disclosure Statement and kindly make the cited references of record in the above-identified application.

Respectfully submitted,
